

ICG ANNUAL MEETING NEWSLETTER

14.12.2023

HANGZHOU, CHINA

The finalized decisions for the ICG2024 have been officially approved during the Steering Committee Meeting.

HIGHLIGHTS

- The Steering Committee (SteCo) approved three NPO* options and finalized free IM** slots: no free IM for basic fee, 30-20-10-5 for doubling, and 60-40-20-10 for tripling.
 - NPOs will be given limited number of free Individual Memberships (IM) based on their national glass production.
- The decision to increase the annual NPO fees by 5% starting in 2025 was approved.
- Discussions included proposals for increasing ICG fees to account for inflation and considerations for the disclosure of member lists.

* : National Participating Organizations
** : Individual Membership

- Prof. Dr. Ahmet Kirman received the 'Glass Person of the Year 2023' award by the Phoenix Award Committee.

PRESIDENCY

- "Hiroyuki Inoue has been voted to be the new president-elect for ICG."

The awards were met with their owners at the ICG 2023 Annual Meeting. We congratulate all award winners with our sincerest wishes.

PRIZES

- Dr. Erik Muijsenberg received the Turner Award.

- Xingzhong Chan from Wuhan University of Technology received Stevenato Best Student Poster Award

MENTOR COMPANY

- Dr. Atsushi Sakuda received the Gottardi Award.

- Siseecam volunteered to continue as the mentor company for the ICG2030 Project.

NEXT MEETING

Next annual ICG meeting will be held at Songdo Convensia, Incheon, KOREA between 25-28 August 2024.
