Affiliate Program Guide

Glass Skills Affiliate Program at a glance

It's simple! You promote a qualifying Glass Skills online learning program on your industry website using a tagged link (we provide you the tag). If one of your members or browsers follow your tagged link to Glass Skills and commences one of our e-Learning programs, you earn a pre-agreed percentage of that programs revenue in commission.

In this quick one page guide, you can find out more about the program and learn how we can help you with each of the steps involved.

Who is the program for?

The Glass Skills Affiliates Program is meant for industry bodies and designed to enable them to provide much needed income to support their industry. Our goal is to keep the process as simple as possible. We offer easy to use tools to help promote our industry related online learning content products that assist our affiliates to upskill their industry members.

The Glass Skills Affiliates Program helps you to do more with your professional development programs. Not only will it allow you to easily create affiliate links that have industry leading content and relevancy, but also provide your industry members with an industry recognised Certificate of Completion.

Why should I join the program?

What does it take on my end?

All you need to do is contact us to discuss the program and how it can assist your industry. We will then work with you to define a suitable program format. Everything else is straightforward. The Glass Skills tools at your disposal will allow you to create a link from your website to our Glass Skills online learning platform with a few easy clicks. In addition, you'll have access to a variety of different linking solutions to choose from to suit the content of your site.

Don't hesitate. Joining our affiliates program will allow you to take advantage of nearly all the benefits right away. For a head-start, all our tools and information will be at your disposal immediately after your contract is completed.
